International Congress of Oral Implantologists (ICOI),
Danish Society for Oral Implantology (DSOI), Portuguese Society of Implantology and Osseointegration (SOPIO)

The „International Journal of Oral Implantology“ prides itself on presenting evidence-based, practical insights into oral implantology and related disciplines to specialists and general practitioners alike. Under the guidance of Dr Marco Esposito and his highly regarded editorial board, the journal encompasses systematic reviews, clinical trials and clinical studies, with a focus on randomised controlled trials of quality and substance. Full descriptions and relevant illustrations are included so that clinicians can fully understand all the procedures presented. The aim of this journal is to provide reliable clinical guidance to practitioners to help them make the best decisions possible for their patients.

All members of the ICOI receive the journal as part of their membership.
