Titel: Decision-Making for the Periodontal Team

Reihe: QuintEssentials of Dental Practice

Kurztext:

High-quality dental patient management demands an appropriately skilled team. It is the general dental practitioner's responsibility to co-ordinate the team and to take overall responsibility as the team leader. Your team provides all the specialities necessary to achieve a stable, functional, aesthetic masticatory unit, which not only encompasses the management of periodontal disease, but integrates a treatment plan the patient can maintain.

Fachgebiet(e): Parodontologie
